Abington High School
2001

Dear Class of 2001,

It has been a pleasure to get to know you during the past three years. Although the following quote is from Little Lessons for Teachers, it is a fitting reminder for all of us. "Every day, every one of us makes a difference. The real power lies in choosing what kind of difference we want to make." We would like to wish each one of you happiness and success in all your future endeavors.

Sincerely,
Linda McCann
Kathy Dowling

Where it all began...

We present this book to the graduating class of 2001. It is our hope that it will serve as a symbol of memories shared, friendships made, and goals achieved. May you always remember your days at Abington High School as you embark on your journey into the future.

Mandoo. Thanks to everyone who was always there for me. Mom, Dad, Katie, Christian, Ricky, Amanda, Jen, and Steph. You guys are the best. Remember going to night school at North and Frolio by day. Remember when T-Bone was Stephanie, remember when she had a tooth. Remember when I had my own toothbrush at Amanda's. Remember when Jen and I used to watch X-Files every Friday night and do sleepovers. Remember playing soccer with Delcore and doing dances. Remember when Kristen MacDonald was Bubbles. Remember the "Bad Girls" and when Caitlin's parents got remarried. It was fun, but now it's over.

It was the best of times, it was the worst of times, and it was growing up. Times may have seemed difficult while trying to find ourselves, what we are like, who our friends are, and what we will become in life. But we are all going to look back on the past 12 years of growing up with each other and realize, it was the best times of our lives. College will be fun, but nothing will compare to our high school years. The friends we make there will be for a few years, the friends we've established at Abington High are friends for life. Honestly, I cannot think of a better class I would want to have grown up with. Let none of us forget the great times we spent together. This is to all my friends, thanks for being a part of my life and my memories. Thank you to everyone for making my time at Abington High the most memorable it could be.

It's sad to think that the time I've spent in High School is coming to an end. It makes me think of all the things that I should've said or done but didn't. All the times I should've spoken up but didn't, and all the people that I should've gotten to know better but didn't. I have some regrets from High School but I also have a lot of good memories and have made some really good friends here. I took the time I spent in High School for granted, it passed by much faster than I thought it would. It will be sad when this year is over and I will miss a lot of people, but I hope to stay in touch with the people that have meant the most to me.

Guys, what can I say. There will never be another school quite like Abington High nor another group of people quite like the class of 2001; a group of people that will never be totally united under one roof ever again. Together since kindergarten, we know so much about each other, and work so well together that we have many, many memories to be proud of. Our prom set was fantastic. We've accomplished so much these last 4 years that it's hard to believe that we're leaving it behind in a few months. But I think we're ready. It's so close by- that pivotal moment in our lives when we start to make our dreams come true – it's overwhelming. But I think we all can do it. Please continue to reach for your goals but never change. I will remember you all, and it is your final duty as an Abington High graduate to do just the same. Greenwave Pride!!! A Boogedy, Boogedy, Boogedy, Ah Ah Ah Ah!!!! Thanks to everyone who's ever been there for me and made me laugh. I won't forget who you are. Thanks to my family: Mom, Dad, Cheryl, and Dan for supporting me through everything.

Also, I would like to thank my fans for their unending support. If not, we can all move to Scotland, I'm sure Scotland is unoccupied. I mean, who lives in Scotland?
